

Smoke Detector Notice

Date

Address

State law requires Owner/Manager to provide a working smoke detector on each floor including basement of the unit, except attic and storage areas. State law also requires the resident to maintain all smoke detectors in the unit unless an authorized building inspector or the resident of the dwelling gives written notice to the Owner/Manager that the smoke detector is not functional. Owner/Manager shall, within (5) days after receipt of that notice, provide any maintenance necessary to make that smoke detector functional.

EAGLE BLUFF
APARTMENTS

Resident(s) acknowledge that all smoke detectors in the unit are working properly.
